We are Hindustan Group

The Hindustan Group embarked on a quest for excellence from 2015 as a steel manufacturing operation. Our state-of-the-art manufacturing facility is located in Raipur, Chhattisgarh. The company Hindustan Coils Ltd. as an organization was founded by Mr. Gangadhar Aggarwal, Mr. Dayanand Goel, Mr. Vikash Aggarwal, Mr. Arvind Aggarwal and Mr. Vipin Aggarwal, with their expertise in the field of steel sector spanning over 20 years.

We have always been a pioneer in adapting latest technology to serve best quality steel products to market. Hindustan group caters to a large customer base spread in the Indian subcontinent, South East Asia, Middle East, Europe, Africa etc. We are a growing organization with skilled, experienced and qualified employees.

Hindustan group has grown significantly since its first operation in establishing HCL. We have forayed into forward and backward integration as well as manufacturing of different products by establishing and acquiring different operations such as-

- Hindustan Coils Limited
- Ispat India
- Devi Iron & Power (P) Ltd.
- Mahamaya Sponge Iron Pvt. Ltd.
- Topper Wire & Fasteners
- Om Sponge

The group is exposed to further diversification in various sectors where it has again established itself as a market leader. These sectors include real estate development and construction, steel products related trading and hospital and pharmaceutical endeavours.

Hindustan Coil Limited

WE ARE AMONGST INDIA'S FASTEST GROWING STEEL COMPANY

The vision of Hindustan Coils Ltd. is to be one of the leading manufacturers of steel products in India and zero tolerance in quality complaints.

Hindustan Coils is engaged in manufacturing best quality Sponge Iron, Billet, Wire Rod, HB wire, GI WIRE, and we also generate electricity in house as per our requirements. Our entire product range is appreciated among our customers for its high quality and strong durability. They are expertly designed as per the preferences of our customers. We offer customized and standard options and on-time delivery is just another quality of our service. All our products are of the best quality and meet the international quality standards. Integrity and customer satisfaction is our topmost priority and we strive to fulfill the requirements of our clients without compromising on quality and time. At present, we have successfully exported wire rod to many countries like Philippines, Republic of Haiti, Taiwan etc. Companies like Tata Steel, Bansal wire, PolyCAB, H.D. Wires, Unnati wire, VNC Steel etc. are our major buyers in India.

Hindustan Coils Ltd. is the first company that introduced tested grade wire rod in Central India from induction Furnace. Tested grades like Low Carbon(LC), Super Low Carbon(SLC), Cable Armoring Quality(CAQ), and Electrode Quality (EQ).

OUR BELIEF

We believe that our organizational team empowers us to lead the industry. Our highly diligent team of technical and non-technical personnel evaluates every aspect of the production system & overall operations to ensure delivery of quality products. Our team plays a major role in offering superior products & services to our customers.

Our Team

The company Hindustan Coils Ltd. as an organization was founded on the strong principles of integrity, transparency, and excellence with an employee strength of 200 people. Over the years, the company has expanded its operations globally, increased its product portfolio and today employs more than 5,000 people.

Hindustan Coils Ltd. - A global name, today one of the largest producers of steel long products worldwide. At the helm of affairs is a strong team of competent leaders who take care of all aspects of its day-to-day operations. Below is a brief snapshot of the leadership team profile so you can get to know them better.

20+ YEARS
EXPERTISE IN
STEEL SECTOR

ALL THE UNITS UNDER OUR GROUP ARE MANAGED AND SUPERVISED BY A COMPETENT BOARD OF DIRECTORS COMPRISING OF EXPERIENCED PROFESSIONALS. THE DIRECTORS AND THE MANAGEMENT TEAMS ARE EXTREMELY SKILLED AND QUALIFIED WITH A KEEN EYE AND CURIOSITY FOR THE LATEST DEVELOPMENTS IN THE GLOBAL MARKETS.

With a high degree of dedication and quality control in the manufacturing of our steel products along with comfortable pricing structures and sustainable business practices, we have placed our company high in the list of respected manufacturers and suppliers of Wire rod, HB wire and GI wire all over India.

Our Products

- ✓ We offer a variety of material and chemical composition selections for all products and will offer suggestions to assist in selecting the best option for your needs.
- ✓ We strive to deliver quality products and services that suit our customer's needs quickly.
- ✓ We manufacture our wire rod through our integrated manufacturing process starting from sponge iron making.
- ✓ We have focused on attaining the highest standards of quality in our products and developing it from time to time.

Wire Rod

Hindustan Coils Ltd. manufacture wire products through own integrated manufacturing process starting from sponge iron making. We offer best quality Mild Steel Wire Rod which is appreciated for their excellent usability, finish and strength. Our range of Mild Steel Wire Rod is designed to completely fulfill customers' requirements.

Hindustan Coils Ltd. is the first company that introduced tested grade wire rod in Central India from induction Furnace.

Wire Rod Specification

- Size Range : 5mm, 5.5 mm, 6 mm, 7 mm, 8 mm, 10 mm & 12 mm
- Dimensional Tolerance : +/- 0.20mm
- Testing Facility : Diameter Checking, Tenstile Test, Wrap Testing, Yield Strength, Elongation, Spectro meter

Inner Diameter- 900 mm

Outer Diameter - 1200 mm

Coil Weight - 1000-1200 KG

Standard Packaging

COMMERCIAL GRADE

Commercial quality wire rods are used in various industries, including agricultural, automotive, commercial, and roads.

S. No.	Chemical Analysis					%YS N/mm ²	%UTS N/mm ²
	%C	%Si	%Mn	%P	%S		
1.	0.11	0.13	0.47	0.047	0.034	326.0	476.0
2.	0.10	0.15	0.50	0.046	0.030	333.0	471.0
3.	0.11	0.14	0.48	0.047	0.032	330.0	473.0
4.	0.11	0.11	0.40	0.046	0.033	333.0	472.0

LOW CARBON GRADE

Application like soft HB Wire, good quality GI winding wire and weldmesh are best with low carbon grade.

S. No.	Chemical Analysis					%YS N/mm ²	%UTS N/mm ²
	%C	%Si	%Mn	%P	%S		
1	0.09	0.13	0.45	0.045	0.032	315.0	448.0
2	0.09	0.12	0.42	0.045	0.034	317.0	445.0
3	0.08	0.10	0.40	0.043	0.030	311.0	444.0
4	0.09	0.09	0.38	0.042	0.032	322.0	446.0

CABLE ARMORING QUALITY

A protective layers can be added to any structure of the cable to increase the mechanical strength and improve the erosion resistance of the cable. which can protect the cable and prolong its service life.

S. No.	Chemical Analysis					%YS N/mm ²	%UTS N/mm ²	Resistivity
	%C	%Si	%Mn	%P	%S			
1.	0.09	0.06	0.46	0.042	0.030	303.0	435.0	13.36
2.	0.09	0.07	0.42	0.045	0.028	305.0	436.0	13.12
3.	0.08	0.06	0.45	0.043	0.031	300.0	429.0	13.24
4.	0.09	0.08	0.43	0.041	0.025	297.0	431.0	12.96

SUPER LOW CARBON GRADE

Many steel specifications require significant chemical content in wire rods, primarily for their ability to improve the machinability of the final product. Indeed in some applications such as high-grade GI wires, cable armoring, and electrodes.

S. No.	Chemical Analysis					%YS N/mm ²	%UTS N/mm ²	Resistivity
	%C	%Si	%Mn	%P	%S			
1.	0.08	0.02	0.45	0.048	0.028	302.0	432.0	13.22
2.	0.09	0.01	0.42	0.046	0.025	298.0	426.0	13.13
3.	0.07	0.03	0.47	0.048	0.027	300.0	433.0	13.36
4.	0.09	0.02	0.44	0.047	0.026	305.0	430.0	13.34

ELECTRODE QUALITY GRADE

Coated welding electrode is a delicate tool which while in use combines physical and metallurgical process of electrodes.

S. No.	Chemical Analysis					%YS N/mm ²	%UTS N/mm ²
	%C	%Si	%Mn	%P	%S		
1.	0.08	0.03	0.48	0.028	0.022	285.0	408.0

Hard Bright / Black Wire (HB Wire)

We are involved in offering Mild Steel HB Wires. Manufactured by professionals using high-quality raw material and steel in compliance with industry standards, these are widely used in industries for manufacturing nails, binding wires, GI wire, Gabion wire etc. Our experts ensure that only defect-free range is delivered at the clients' end within the promised time.

We provide sizes from **2 SWG** to **14 SWG** across commercial and low carbon grade.

Hot Dipped Galvanised Iron Wire (GI Wire)

Under the umbrella of Hindustan Group, Topper Wire & Fasteners offers highly durable and tensile GI Wire which is formed by drawing the in-house wire rod into thin sections and then passed through the zinc coating to give a galvanized finish for excellent surface, shine and resistance against corrosion. The products provided by us are tested against different parameter of quality in order to eradicate any possibility of manufacturing defects.

— Wire Rod Specification —

- Size Range : 6swg to 14swg
- Zinc Coating : 40-300 gsm
- Tensile Strength : Below 450 N/mm²
- Coil Weight : 25 Kg - 800 Kg
- Coil Inner Diameter : 350mm, 450mm, 550mm
- Coil Outer Diameter : 650mm, 750mm

BUILDING A NATION OF OUR DREAMS

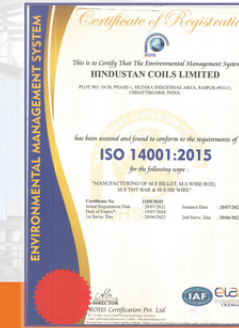

We aspire to achieve business excellence through:

- Optimum utilisation of resources
- Sustainable environment friendly procedures and practices
- The highest ethics and standards
- Maximising returns to stakeholders
- Hiring, developing and retaining the best people
- Positive impact on the communities we touch

CERTIFICATIONS

With the latest technology, stringent ISO quality control and an unwavering commitment to customer satisfaction. We have grown over the past decades to meet the needs of the iron and steel industries.

OUR CLIENTS

With our clear goals, team spirit, indomitable steel products and trust from our valuable stakeholders. We aim to grow and expand the group's frontier across the globe.

CORPORATE SOCIAL RESPONSIBILITY

At Hindustan Group, our community-oriented efforts emphasize the spread of quality education, health care and sustainable livelihood opportunities in all our operations in India and around the world. We empower communities through agricultural development and market linkages, youth skills development, entrepreneurship promotion and preservation of ethnic and traditional communities.

Strategy to Achieve the CSR Activities

- Our strategy to promote education
- Our strategy to eradicate hunger & poverty
- Our strategy to promote Healthcare & family welfare
- Our strategy to promote Environment sustainability
- Our strategy to promote gender equality & empowering women

In line with our Founder's philosophy of business enterprises being the drivers of social upliftment, all Hindustan Group companies embody social responsibility in their vision.
